1 INTRODUCTION

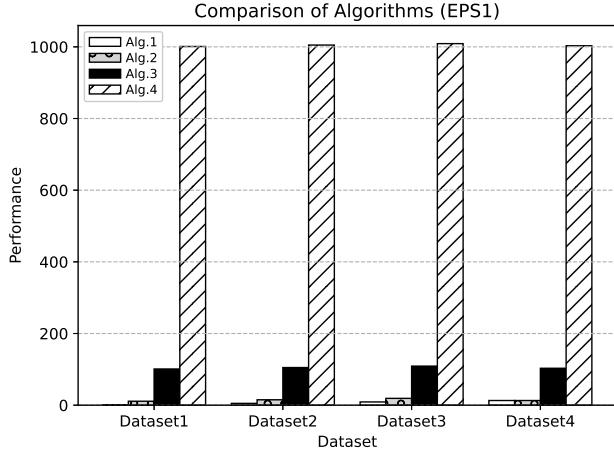

Figure 1: Comparison of algorithm among different datasets.

We have Figure 1 and Figure 2 here. We can see the detail more clearly in the Figure 3. Additionally, we have Figure 4 here.

Detailed comparisons could be found in Table 1 of Appendix A.1(this part could be found in the technical report).

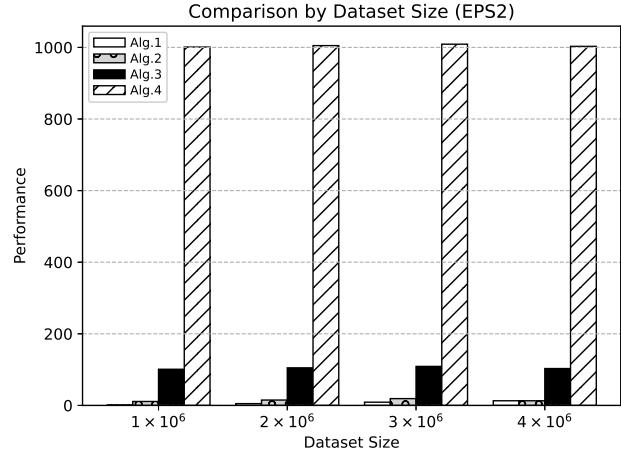

Figure 2: Comparison of algorithm among different dataset sizes.

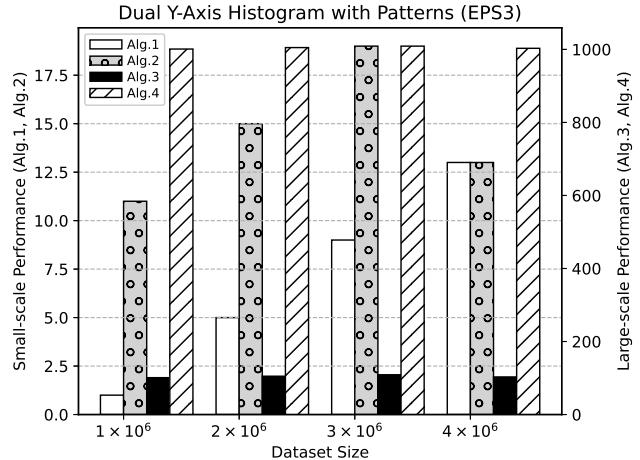

Figure 3: Comparison of algorithm among different dataset sizes.

A APPENDICES

Here is the appendices part.

A.1 Detail Comparison

Detailed comparisons could be found in Table 1.

Table 1: Evaluation results of three algorithms among different value of n.

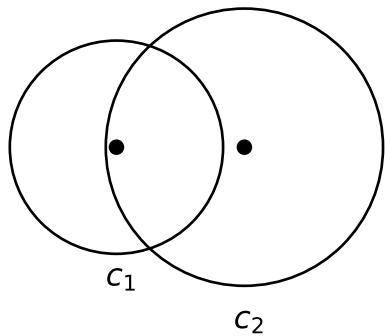

Figure 4: Two intersecting circles.

n	Evaluation		
	Alg1	Alg2	Alg3
100	1	4	7
200	2	5	8
300	3	6	9
